

Davina Hurt
Age 39
Mother/ Attorney/ City Commissioner

Education and Qualifications:

I am running for City Council this November to be a voice at City Hall for all of Belmont's residents and neighborhoods. I will focus on enhancing the quality of life for everyone in town. I will work to improve government responsiveness and transparency, ensure balanced budgets and fiscal sustainability, preserve and enhance parks and open spaces, deepen partnerships with our neighborhoods and schools, invest in infrastructure upgrades, and support Belmont's local businesses.

I have lived in Belmont for over a decade. I'm a local businesswoman and attorney, a mother, community volunteer, and Vice Chair of the Planning Commission.

I understand the issues and challenges facing the City of Belmont and I possess the skills and experience to develop common sense solutions at City Hall. If elected, I will serve on the City Council with integrity, listen carefully, engage all voices, respect all opinions, and work hard to represent you, your family, and your neighbors at City Hall.

I will balance the overall needs of the community with the rights of each Belmont resident; and I will always believe in the power of coming together to make good things happen. My top priorities at City Hall will include:

- Implementing innovative solutions to reduce traffic congestion and keep neighborhood streets safe for pedestrians and bicyclists;
- Modernizing our infrastructure and upgrading local streets, community buildings, and sewers;
- Promoting economic development through state and national grants, supporting existing businesses, while attracting new entrepreneurs who will meet the community's needs and take us to the next level;
- Maintaining great police and fire departments;
- Making our public spaces more inviting and useful;
- Expanding park and recreation programs for youths, adults and seniors.

I am honored to have the support of State Senator Jerry Hill, State Assemblyman Kevin Mullin, County Supervisor Carole Groom, Mayor David Braunstein, former Belmont mayors, and many other community leaders and residents.

As a wife and mother, I understand the value of family and I am well invested in seeing my family and yours thrive in this fine city. You can count on me to be thoughtful, accessible, effective, and committed to our future. Learn more at www.DavinaForBelmont.com.

I look forward to working with you and respectfully ask for your vote. Thank you!
